FAMS GRADUATION 2017 PORTRAIT INFORMATION

Arrangements have been made with LifeTouch to photograph each 8th grade graduate. This service is provided to eliminate the difficult and sometimes even disruptive practice of taking photos during the graduation ceremony. The Board of Education and the school administration request that the audience remain seated during the graduation for the safety and enjoyment of everyone. It also provides parents the opportunity to have their graduate professionally photographed in graduate attire.

The photos will be taken at FAMS on graduation day, June 21st from 2:00-4:30PM. The photographer will be set up in room 126. Please follow the time schedule below using the first initial of your last name. Parents are asked to remain with their graduate while the photographs are taken. After the photo session, the graduates are to go home with their parents and arrive at Indian Hills High School in time for graduation and to find sufficient parking.

LifeTouch is offering FAMS families several packages to choose from; all orders will be available for pick up in the FAMS Main Office during the summer. A la carte options are to be ADDED to packages ONLY. Please see the attached Lifetouch flyer for package and 'add on' options. Please keep the time schedule so you know your time slot.
