An Easy Way to Earn Cash for Your School Without Spending a Dime!

Box Tops can be found on many popular products we all use in our homes. By simply cutting out those Box Tops and bringing them into school, you can help earn money for Woodside Avenue School!

It's as Easy as 1 – 2 – 3!

1.

Purchase your favorite products, and **NEATLY cut out the Box Tops** from each package. Be sure to check the expiration dates!

2.

Write your child's name on the back of each Box Top and send them to school.

3.

Have your child give his/her Box Tops to the teacher.

A prize-winning Box Top will be drawn once a month from each grade. The more you bring in, the greater your chances of winning!
