Guidelines for Serving Pizza:

As a pizza volunteer, I understand that my role is to serve pizza. After I sign in at the office, I will serve pizza to students during each lunch period. I understand that I cannot sit with the children, go outside with the children, or reprimand the children. It is the responsibility of the lunch aids to manage the children's behavior. I also understand that it is best if I do not bring small children with my while I serve pizza. When all the lunch periods are over, I need to sign out. I will not visit classrooms on my way out of the building.

_____ *I will comply with the pizza volunteer guidelines.*
